All campsites listed have water, electric, and dump station, as well as restrooms, laundry, and shower facilities. Many campgrounds also offer additional cheaper tent camping sites without hook-ups. Call for details.

**Due to various factors, some parks may be open past the regular season (April - Oct.). Call park for dates.** Most park concessions (pools, mini golf, horseback riding, etc) are open Memorial Day through Labor Day.

\* Parks open year round, however, water may not be available at campsites or dump stations during freezing winter months. Please call the park to confirm.

Campsite reservations can be made for all parks  
on-line at [PARKS.KY.GOV](http://PARKS.KY.GOV)  
or by calling **1-888-4KY-PARK**
